OFFICE OF PETITIONS

PETITION UNDER 37 CFR §3.81(b) FOR CERTIFICATE OF CORRECTION

In reply to the communication mailed November 24, 2009 from the Decisions & Certificates of Correction Branch, Applicants respectfully petitions to have the attached Certificate of Corrections entered.

Under the provisions of 37 CFR §3.81(b) Applicants are submitting herewith:

- A. Authorization to charge the processing fee for this petition under 37 CFR §117(h) of \$130 to Deposit Account No. 23-1925;
- B. A statement that the failure to include the correct assignee name on the PTOL-85B was inadvertent; and
- C. A copy of the Notice of Recordation of Assignment Document, reflecting the reel and frame number where the assignment(s) is recorded and/or reflecting proof of the date the assignment was submitted for recordation.

The failure to include the correct assignee name on the PTOL-85B was inadvertent. The PTO initially listed only one of the assignees (NOK Corporation) on the Notice of Recordation of Assignment Document. It was therefore necessary to request and obtain a Corrected Notice of Recordation of Assignment Document.

When applicants' attorney filled out the PTOL-85B he inadvertently referred to the initial (incorrect) Notice of Recordation of Assignment Document to verify that the assignee information was correct rather than the Corrected Notice of Recordation of Assignment Document.

Attached is a copy of the Corrected Notice of Recordation of Assignment Document that lists both NOK Corporation and UNIMATIC Co., LDT. as assignees and shows that the assignment was recorded on September 25, 2006.

Authorization is hereby give to charge the processing fee for this petition under 37 CFR §117(h) of \$130 to Deposit Account No. 23-1925.

Also attached is a Certification of Correction which adds UNIMATIC Co., LDT. as an additional assignee (with NOK Corporation).

Upon granting of this Petition, Applicants request that the file be forwarded to Certificates of Correction Branch for issuance of a Certificate of Correction.

Authorization is hereby give to charge the fee under 37 CFR §1.323 or \$100 to correct the assignment data, together with any additional fee(s) necessary to consider this petition and have the Certificate of Correction issued.

Respectfully submitted,

Dated: December 28, 2009

Re: Request for Certificate of Correction

Consideration has been given your request for the issuance of a certificate of correction for the above-identified patent under the provisions of Rule 1.322(b).

Assignees' names and addresses (assignment data) printed in a patent, are based *solely* on information supplied in the appropriate space for identifying the assignment data, i.e., item 3 of the Issue Fee Transmittal Form PTOL-85B. Granting of a request under 37 CFR 3.81(b) is required to correct applicant's error providing incorrect or erroneous assignment data, *before* issuance of a Certificate of Correction, under 37 CFR 1.323 (*see Manual of Patent Examining Procedures (M.P.E.P) Chp.1400, sect. 1481*). This procedure is required *at any time after the issue fee is paid*, including after issuance of the patent.

In view of the foregoing, your request, in this matter, is hereby denied.

A certificate of correction will be issued to correct the remaining errors in your request.

A request to correct the Assignee under 37 CFR 3.81(b) should include:

- A. the processing fee set forth in 37 CFR 1.117(h) (currently \$130);
- B. a statement that the failure to include the correct assignee name on the PTOL-85B was inadvertent; and
- C. a copy of the Notice of Recordation of Assignment Document, reflecting the reel and frame number where the assignment(s) is recorded and/or reflecting proof of *the date* the assignment was submitted for recordation.

In the Request, Applicant(s) may request that the file be forwarded to Certificates of Correction Branch, for issuance of a Certificate of Correction, if the Request is granted.

Any request under 37 CFR 3.81(b) should be directed to the following address or facsimile number:

By fax: (571) 273-0025
